EXPERIENCE

HANTO — Paris, France
Recruitment Consultant (Work-Study) — Sept. 2026 – Present

- Prospect accounting firms and industrial and energy companies by phone and email, qualifying their hiring needs and securing recruitment agreements.
- Manage full-cycle recruitment for finance, accounting, chief financial officer and engineering positions, from sourcing on LinkedIn Recruiter to candidate presentation.
- Closed first placement independently within two months of joining; secured a new client agreement through a proactive candidate presentation.
- Built an interactive map of industrial and energy companies currently hiring, based on public job data, to target prospecting efforts.

W hub — Paris, France
Business Developer (Internship) — April 2026 – Sept. 2026

- Prospected information technology decision-makers using LinkedIn Sales Navigator to generate new business for an IT staffing and consulting firm.
- Sourced and qualified IT consultants in BoondManager to match client requirements.
- Designed an AI-assisted pipeline to analyze candidate profiles against client job requirements.

WAV'ARTS — Caen, France
Freelance Brand and Marketing Manager — Sept. 2025 – March 2026
Marketing Intern — April 2025 – June 2025

- Led brand management for a parkour gym and streetwear label, including visual identity, social media, email and paid advertising campaigns.
- Coordinated suppliers, workshop and warehouse to deliver e-commerce product launches on schedule and control costs.
- Produced monthly performance reports on campaigns and product launches; managed the TikTok, Instagram and YouTube Shorts editorial calendar.

Tsaranazy Law Firm — Caen, France
Administrative Assistant — Sept. 2022 – Dec. 2023

INDUSTRIAL INTERNSHIPS

Schneider Electric, *Maintenance Intern*, Beaumont-le-Roger, France — June 2021 – July 2021
